A HUNDRED YEARS AT THE TIP OF THE NOSE...

Dear Madam, Dear Sir,

The year 2026 begins in the most delightful way: with the centenary of our Maison!

It was in 1926, in Grasse, that Fragonard Parfumeur was born. To celebrate these 100 scented candles, we have prepared a magical year, punctuated with events, creations, and exclusive editions.

It is "L'Air de Grasse" that opens our anniversary ball and enriches the Flowers of the Year collection. For this centenary, not a single flower, but an entire bouquet that has been bottled to bring you this scent that is unique to Grasse. Mimosa, rose, orange blossom, tuberose, and jasmine intertwine with a hint of mandarin, upon a noble base of iris and patchouli.

This new collection blossoms into an eau de toilette, delicately perfumed sculpted soaps (set of 3 guest soaps or single soap), a gilded soap dish, and an elegant home diffuser.

All these novelties, together with your favourite scented creations, await you in your leaflet. To allow you to discover without delay this new Fragonard creation, I enclose with this letter a perfumed sachet of "L'Air de Grasse".

We are delighted to share this anniversary with you.
Thank you for your loyalty.

Agnes Costa
Chairman of the Board
