The lilac,  
flower of the year

Dear Madam, Dear Sir

In 2024, Fragonard celebrates the lilac! Its delicate clusters adorned with bell-shaped flowers display a variety of colours, ranging from pure white to deep purple. Like a delicately beaded flower, it emits a fragrance that is simultaneously fresh, green, and powdery.

Discover the scented products that celebrate the lilac, the flower of the year, as you flick through your leaflet and breathe in its eau de toilette, thanks to the scented pouch I'm enclosing with this letter.

Finally, I'm offering you the chance to receive exclusive gifts, specially created for you, which you will receive on delivery of your order.

Wishing you a very Happy New Year, as the Lilac takes centre stage!

All my best,

Agnès Costa  
Chairman of the Board
