Dear Madam, Dear Sir,

In 2024, Fragonard celebrates Lilac! Its delicate clusters adorned with bell-shaped flowers display a variety of colors, ranging from pure white to deep purple. Like a delicately beaded flower, it emits a fragrance that is simultaneously fresh, green, and powdery.

Discover the **scented products that celebrate Lilac**, the flower of the year, as you flick through your leaflet and breathe in its eau de toilette, thanks to the **scented pouch** I'm enclosing with this letter.

Finally, I'm offering you the chance to receive exclusive gifts, specially created for you, which you will receive on delivery of your order.

Wishing you a very Happy New Year, as the Lilac takes center stage!

All my Best,

*Agnès Webster*

Agnès Webster, President & CEO
