SENSE, SLOW DOWN AND SAVOR THE LITTLE PLEASURES

Dear Madam, dear Sir,

In autumn, the Provençal landscape takes a little time to rest and invites us to do the same. It is time to return to the essential senses: a fragrance as an invitation to travel, a diffuser that awakens the senses, a cream that melts into the skin like a caress.

To accompany this season of gentle pleasures and help you prepare for the long-awaited holiday season, our Maison has imagined a joyful collection where fragrances and colors blend together in a delightful dance. This year, Les Jardins de Fragonard (Gardens of Fragonard) take centre stage in this beautiful Christmas collection. Eau de parfum, soaps, diffuser, hand cream: these limited editions are already set to become the season's most coveted gifts.

To discover our Christmas collection and experience Grenade-Pivoine, simply open the scented sachet enclosed with this letter.
