L'EAU DU SÉDUCTEUR

NEW

ALL IT TAKES IS ONE GLANCE, ONE SCENT...

Seduction is the cousin of charm, and the most seductive men are the ones who flaunt that certain je ne sais quoi the least. That's what makes them so irresistible!

We had them in mind when we created L'Eau du Séducteur, which proudly joins Fragonard's line of men's fragrances.

The notes of bergamot and citrus evoke a light freshness over a heart of cardamom, geranium, and nutmeg, which rest on a virile base of tonka bean, sandalwood, musk, and cedar.
